

# MEMBERSHIP FORM - CARROLL COUNTY WABASH & ERIE CANAL, INC.

The CCWEC was conceptualized in 1972 and is dedicated to the preservation of the Wabash & Erie Canal in Delphi, Indiana. It is the only section of the Canal remaining in Indiana that is publicly accessible, water-filled, and navigable.

As a nonprofit organization, to which tax-deductible contributions and gifts can be made, it operates under a volunteer board of directors and committees which include individuals from across the state. Our mission is to preserve our history and present it in an interactive way for the public to enjoy.

The Carroll County Wabash & Erie Canal relies upon support from its annual memberships and donations, along with income generated from facility rentals, event admissions, and retail sales to sustain its property and fulfill its mission. We are also more than grateful for the dedicated volunteers who help maintain this picturesque space for all to enjoy.
